Filipino choir	8:45 Schola	Triduum choir	Cantor		
Singers: What part?		Years of study	Instrumentalists: What instrument(s)?		Years of study
<p>Music Ministry:</p> <p>Sacred Scripture instructs us to sing psalms, hymns and inspired songs. Great sacred music directly connects us with the very presence of the Divine. The Acts of the Apostles states that song is the sign of the heart's joy. St. Augustine is quoted as saying, "To sing belongs to lovers," and are we not all in love with the Lord? One ancient proverb states, "One who sings well prays twice."</p> <p>Holy Family has several opportunities to glorify our God in music! We have a beautiful Youth Choir for children grades 3 and up; a jubilant Contemporary Choir open to high-school students and adults; a distinguished Adult Choir that encompasses <u>all</u> styles of high-quality sacred and liturgical music; a Schola to spread the joy to our 8:45 a.m. parishioners and CCTN viewers; a Filipino Choir drawing from the parish's large Filipino community; and a Triduum Choir that provides the most beautiful music during Holy Week. Opportunities abound for cantors who lead the assembly in song and for various instrumentalists whose talents enhance our celebrations.</p> <p>Qualifications are varied depending on the group. You need to have a commitment to rehearse, a strong desire to worship the Lord and a willingness to share your talent and faith with our parish community. In some choirs, fingerprinting and the diocese's Safe Environment training are required. If, after prayer and reflection, you feel called to this ministry, we invite you to apply.</p>
