

Holy Family Catholic Church has been serving Southwest Orlando Catholics for nearly five decades!

Our parishioners and supporters are at the core of everything we do here at Holy Family. As we work in service to the Lord, we constantly strive to provide the best parish possible for our parishioners. It is through your generosity that we can continue to grow our parish by both enhancing our facilities and evangelizing people in our community.

The Building the Future Capital Campaign will allow Holy Family Parish to continue building our future and bridging our past as one Holy Family.

Loving God, Giver of Life and Source of Goodness, we know all that we have is a gift from your abundance. We ourselves are called to be good stewards of your blessings to those around us through charity, kindness, and generosity.

We give you thanks for our parish, which has become a place for us to encounter, worship, and serve you. As members and caretakers of this church community, may we bridge the past with sincere gratitude and continue to build our future with exciting hope.

Bless our “Holy Family” families. Help us to be generous with our time, talents, and treasures. Send your Holy Spirit to work in us and through us so that, bringing your love to those whom we serve, we may truly become faithful witnesses to Jesus Christ.

Amen.

Dear Friends,

It is hard to believe that our parish will soon celebrate its 50th anniversary. From the early days of celebrating Mass with just a handful of parishioners at [the hotel] to the present day of having over 6000 registered families, this campus is a powerful testament to the rapid growth and the loving support of generations of parishioners who have made this church their spiritual home.

Like you, I am grateful and proud to be a part of Holy Family's history. I am humbled to have been called to be its spiritual leader and father – to look after and ensure that our campus is cared for and able to accommodate the growing needs.

Mindful of that, I want to extend an invitation to you to participate in our Bridging the Past, Building the Future Campaign. It is quite a daunting task. At the same time, I am confident in your affection and commitment to our spiritual home.

Together, let's build a future filled with excitement and hope!

The Holy Family of Nazareth, pray for us!

Fr. Martin Nguyen
Pastor

Our Vision for The Future

• Parking Expansion and Improvement

Our goal for this phase of the campaign is to improve traffic for Mass and parish events. With an increase of over 100 parking spots, and more efficient traffic flow, this investment will ease transit to our campus for parishioners.

• Athletic, Creative, and Academic Expansions

To better serve our students and parishioners, we plan to build a full-size track for school and parish use. This will allow for athletic events to be hosted here and outdoor parish events as needed; such as the Parish Picnic, Easter Sunrise Mass, and more.

• General Flynn and Admin Building

Our plan also includes a reimagined General Flynn Hall and Administrative building with new and upgraded facilities to provide Holy Family parishioners with improved gathering spaces for small to mid-sized groups, upgraded kitchens, restroom improvements, new elevators, and administrative office upgrades to provide for more effective and efficient parish operations. With this modernization project, these facilities will continue to serve Holy Family parishioners for years to come.
