What can I do in the portal?

- Save payment methods to make future giving quick and easy.
- View details about previous online and offline giving, including cash or checks.
- Update your name and contact info to keep our office up-to-date.

The screenshot shows a web portal interface for a user named Nikki. At the top, there is a navigation bar with a home icon, the text 'Home Giving', and a user profile icon labeled 'NT'. Below the navigation bar, the user is greeted with 'Welcome back, Nikki.' and a message: 'Use our online portal to get involved, stay connected, and support the We Bring Heart community.' The main content area is titled 'Manage your giving' and contains four interactive cards: 'Give' (Make a gift), 'Giving history' (View your lifetime giving at We Bring Heart), 'Recurring gifts' (View your scheduled recurring gifts and stop future payments), and 'Payment methods' (Make giving easier with saved card and account information). At the bottom, there is a section titled 'Keep us up-to-date' with the text 'To help keep our records current, take a quick look at your profile and update as needed.' and a 'View profile' button.
